

SaveonSP is a program covering certain specialty medications and ensures that, once you are enrolled and eligibility is confirmed, you have no financial responsibility for those medications. Your specialty medication will be filled through Accredo, your exclusive specialty pharmacy. The 270+ medications included in the SaveonSP program consist of products covering conditions such as Hepatitis C (Hep C), Multiple Sclerosis (MS), Psoriasis, Inflammatory Bowel Disease (IBD), Rheumatoid Arthritis (RA), Oncology, and others. You can access the list of medications included in the program at www.saveonsp.com/AutoNation. If you are using a medication included in the program, you may be eligible.

Who is Eligible?

- Members who are currently taking a medication on the SaveonSP Specialty Drug list.
- Members who use their plan-sponsored commercial insurance as their primary insurance. Members who use Medicare as their primary insurance are not eligible for this program.

What do I need to do to enroll?

- Review the list of medications included in the program. If you are taking one or more of the medications, call SaveonSP to enroll at 800-683-1074.
- If you are already enrolled in a manufacturer program, please have your manufacturer program issued ID available when you call; the call will be very short. If you are new to the program, the call will take approximately 10 minutes.
- If you do not enroll prior to submitting a prescription to Accredo for filling, a SaveonSP Patient Service Representative will contact you via phone prior to dispensing. They will assist you with enrollment if your medication is part of the program.
- Certain manufacturers require annual enrollment. You will only be contacted once a year to ensure you are properly enrolled in this program.
